BRAND BROCHURE

THE NEW GENERATION OF LUXURY

EDITION Hotels marks the next chapter in the lifestyle hotel story. Conceived by Ian Schrager in a partnership with Marriott International, EDITION combines the personal, intimate, individualized and unique lodging experience that Ian Schrager is known for, with the global reach, operational expertise and scale of Marriott. This delicate balancing act encompasses, for the very first time, not only great design and true innovation, but also great personal, friendly, modern-luxury service as well as outstanding, one-of-a-kind food, beverage and entertainment offerings “all under one roof.”
