

The best hotels in NYC

The best hotels in NYC to catch some z's in the city that never sleeps (c staycation)

f Share t Tweet G+ 43 SHARES

At the best hotels in NYC, find proof that nobody does hospitality quite like New Yorkers (sorry, Southerners). Take our [best restaurants](#) and [New York attractions](#), for example... there's no shortage or comparison, and the city's hotel scene is no exception. Whether you're visiting from out of town or want [New York staycations](#) in your concrete backyard, these properties take the cake when it comes to hospitality and hotel perks. Cue room service.

The New York EDITION

Ian Schrager's Madison Square Park masterpiece is a sight to behold—and the experience starts before you've even set foot inside. Handsomely suited doormen and whiffs of the brand's proprietary Le Labo scent greet both guests and passersby, and the cozy-chic rooms combined with Stephen Starr's dining and drinking destinations mean you'll never have to (or want to) leave the property.
