THE WORLD'S TOP HOTEL SUITES

MANILA - FAMILY LUXURY REDEFINED - THE EDITION SANTA

HAWAIIAN SECLUSION IN THE MIDDLE KINGDOM

The newest luxury retreat on the island of Hainan, a destination dubbed the Hawaii of China, the Sanya edition is the embodiment of a sophisticated boutique hotel set against the South China Sea. Discovers Isabelle Lui.

Every year, Hainan welcome tens of millions of visitors – over 50 million in 2019 alone – from around the world. With its tropical climate, cultural beauty, and unspoiled beaches, the island’s southernmost city, Sanya, has developed into a favourite holiday destination for both Chinese and Russian-speaking tourists.

Joining the ranks of luxury hotels and resorts along Haitang Bay, one of the major bays downstream of the town, the Sanya Edition marries natural beauty with contemporary art and flavorful service. Arriving guests are welcomed by pavilions framing an elegant lotus pond and a frangipani melody that perfectly captivates the changing sky above. Beyond the hotel’s 505 guestrooms, all of which are suites, along with an additional 17 hotel villas, each of which includes a private pool and patio.

My first step into my one-bedroom suite is led by subtly opening curtains unveiling the stunning unobstructed ocean view, visible
