This week's dream destination and what to wear when you get there

Where to go for... ALL THE BELLS & WHISTLES

The Sanya Edition, China

Ian Schrager - the man who co-founded Studio 54 - knows good hospitality. At his latest outpost, cabana suites float on a 'private ocean' and each light-filled room is the last word in luxury - think freestanding baths on spacious balconies. Still want more? The three art galleries, outdoor cinema or the funfair should suffice...

PRIVATE OCEAN-SIDE CHIC

Sonia Rykiel

Roll up this dress in your carry-on, then shake it out and slip it on.

Chloé

Maximize the vacation glamor in oversized retro shades.

Eugenia Kim

Eugenia Kim's huge straw tote will be a talking point at the beach bar.

Valentino

Velvet ribbons make these sandals a day-to-night packing essential.
