THE OBEROI BEACH RESORT AL ZORAH, AJMAN

Just 25 minutes from Dubai, the new Oberoi Beach Resort will be accepting reservations from April 2, adding a new luxury staycation to the UAE's already exceptional roster of properties. Determined to become the region's go-to eco-destination, the resort is set within 1 million square metres of protected forest, white sand beaches, lagoons and mangroves, and is home to 58 species of bird, which includes a rare breed of pink flamingo. With only 113 rooms consisting of suites and villas with private pools, and a luxury penthouse, this looks set to become the region's number one weekend escape in no time. Lucky us. Rooms start at Dh\$3,250. Oberoihotels.com
