## SCREENING ROOM CAPABILITIES

The distinguished Studio One offers flexible space as a traditional ballroom or a professional theatre quality screening room. Boasting acoustical isolation, Studio One is equipped with a state-of-the-art Dolby sound system featuring Meyer Marcheron speakers performing high peak power output with minimal sound distortion. Paired with a Christie high definition video projection allowing increased brightness and visual stability, this viewing experience will be one for the books. The 91-seat room comes equipped with deployable seats on risers providing comfortable seating and excellent sightlines for every guest.

- 7.1-channel Dolby surround system with Meyer Archeron loudspeakers
- Christie 4K-resolution projector with a 2kW xenon lamp and integrated media server
- 26'5" X 11'0" Stewart micro-perforated projection screen fixed to a rigid frame with motorized adjustable masking
- Crestron audiovisual control system with menu-drive touch screens
- 16-channel Yamaha mixer will be available for live music
- Assistive listening system for the hearing impaired is also included
