## SCREENING ROOM CAPABILITIES

The uniquely designed Studio 1 offers flexible event space as a cutting-edge theatre quality screening room. Boasting acoustical isolation, Studio One is equipped with a state-of-the-art Dolby sound system featuring Meyer Archeron speakers performing high peak power output with minimal sound distortion. Paired with a Christie high definition video projection allowing increased brightness and visual stability, this viewing experience is one of a kind.

- 91-seat room comes equipped with deployable seats on risers
- 7.1-channel Dolby surround system with Meyer Archeron loudspeakers
- Christie 4K-resolution projector with a 2kW xenon lamp and integrated media server
- 26'5" X 11'0" Stewart micro-perforated projection screen fixed to a rigid frame with motorized adjustable masking
- Crestron audiovisual control system with menu-drive touch screens
- 16-channel Yamaha mixer
- Assistive listening system for the hearing impaired is also included
