THE SPA AT THE REYKJAVIK EDITION CEREMONIES

The Spa at The Reykjavik EDITION offers a unique sanctuary to recharge and rebalance the senses with this inspired collection of personalised treatments from world-renowned spa experts. With wellbeing at its heart, our bespoke ceremonies envelop the mind and body in total harmony.

ᚱ URUZ

The rune Uruz ᚱ stands for the concept of life force, physical health and persistence against all odds. Norse runes were symbols that sprang from the source of fate and were used in magical ceremonies by the Vikings.

The island of fire and ice comes to life in this unique experience

The physiological and emotional benefits of alternating hot and cold on the body have long been advocated and here we utilise them to full effect to stimulate and awaken the senses and the mind. A synergy of chilled muds, warm salt scrub, hot stones and cool marble massage collaborate to encourage circulation, stimulate nerve endings and enchant the senses. A unique experience paying cultural affirmation to both the origins of the Hammam experience and our Icelandic heritage.

Includes: Self-administered salt and oil body scrub, marine mud for the body and face mask and Hammam relaxation time – followed by a 45-minute targeted body massage with warm and chilled stones.
