Ironically, this menu is not about light, but more the effect it has on our other senses.

Transforming the visual element forces us to perceive an experience through a preconceived belief.

Throughout this menu we aim to dismantle those perceptions.

Fig. 2.

Throughout this menu
we aim to dismantle
those perceptions.

OPAQUE

*'Not able to be
seen through; not
transparent'*

TRANSLUCENT

*(of a substance)
allowing light, but
not detailed shapes,
to pass through;
semi-transparent*

TRANSPARENT

*(of a material or
article) allowing light
to pass through so that
objects behind can be
distinctly seen.*

*Embrace shadows
and silhouettes that barely
skim the surface. Take the
plunge to uncover what
lies beneath.*
