SIGNATURES

YOUR EDITION SIGNATURE MASSAGE

Melt into an authentic EDITION experience with a focused intention on your body's needs. This massage, personalized to your desired pressure applying Swedish massage techniques, uses a nourishing blend of oils featuring the EDITION brand's signature Black Tea scent by Le Labo, a rich and complex aroma designed to tap into your feelings of wellbeing and comfort. The massage commences with a local ritual to embrace your sense of place within each destination. This exclusive massage experience is featured at our hotel spas worldwide and will leave you feeling calm, relaxed, and rejuvenated.

60min

AROMATHERAPY EXPERIENCE

This hero treatment starts with a consultation and aroma test to allow you to choose a suitable oil from our extensive selection by Aromatherapy Associates. With your chosen oil, your therapist will use carefully applied pressures to stimulate the nervous system, Swedish and neuromuscular techniques to relieve muscular tension, and lymphatic drainage to encourage healthy circulation. This is an intense, holistic massage ritual drawn from a fusion of eastern and western techniques enabling the therapist to work on your body, mind, and spirit.

60min

OPTIMAL RELEASE

Designed with deeply releasing massage techniques that focus on your back, legs, scalp, neck, and shoulders, this treatment tackles the busy mind and relieves physical aches using the blend of your choice De-Stress Mind or Muscle.

60min

MUSCLE RELEASE

This restorative treatment was designed with tense and aching muscles in mind. Whether it's a heavy exercise schedule or too many hours spent sitting at your desk, this black pepper, rosemary, and ginger-based treatment will warm the muscles and help disperse the build-up of lactic acid that causes stiffness and pain.

60min

STRESS RELEASE

Exclusive to EDITION Spa, experience the ultimate body and mind treatment that combines deep tissue massage technique and sweet almond oil. Nourishing sweet almond massage oil helps ease the tension, whilst firm and deep pressures relieve muscle pain and encourage the healing process of tendon and spinal injuries.
