

PUNCH ROOM
MADRID

WELCOME BACK TO PUNCH

For nearly a decade, we've been sharing our love of punch. Punch Rooms at EDITION Hotels have ventured through this rich category of libations, seeking to provide a level of complexity across years and years of historical context. With the opening of The Madrid EDITION, we are taking a step away from the restrictions of classic form and moving towards a modern focus on flavour and emotion. Inclusivity without boundaries is a core value of EDITION, and each of our offerings at Punch Room in Madrid reflects a world in which our understanding of each other grows exponentially with each new connection we make.

Punches are composed of a classic five elements of flavour: Spirit, Citrus, Sweetener, Dilution, and Spice. Where we have, in the past, honored and recreated classic punch recipes from the history of the category, we are now looking more closely at their foundations. We're expanding our scope to include unconventional spirit combinations, and unexpected flavour pairings from a wider array of non-traditional botanicals.

In the past, Punch Room menus have honoured and recreated classic punch recipes from the history of the category. At The Madrid EDITION, there is a closer look at their foundation, expanding their scope to include unconventional spirit combinations, and unexpected flavour pairings, re-defining punch for a contemporary experience. Old World elements of whisky and sherry meet New World traditions of pisco, cachaca, and agave spirits. Classic teas and cava mingle with Asiatic flowers and coconut. Join us as we bend the rules a little bit.

DAILY PUNCH

Ask for details

SRS Y SRSA 16

Gather close and keep your eyes right here. Yes, don't you worry about the description to the right; it will only mislead you, with oddball pairings of spirits, pineapple, and... Calpico?! All you need to know is that this punch is smooth, delicious, and you should order another one before your server disappears.

Mezcal Espadin Picaflor,
Whisky Chivas Mizunara,
Bacardi 8, Yellow
Chartreuse, pineapple,
green tea, savoir faire

WHITE ELEPHANT PUNCH 16

"Wow! What's in this punch?"

averts gaze

"Oh, you know....Just some magic I had around the house. I'm so glad you like it."

Tequila Patron Reposado,
Whisky Dewar's 12,
mango, cumin seeds,
pineapple, bergamot,
Cynar

COSTAS LEJANAS PUNCH 14

Not everything has to be complicated. This punch is pretty much everything you'd want and expect it to be: Bright, tart, vaguely tropical but definitely not tiki, refreshing like watching a sunset on the beach. And then there's that rhubarb liqueur, but don't fret – it's just a little bit. You'll be fine.

Tequila Volcan de mi
tierra reposado, Pisco
puro quebranta, rhubarb
liqueur, coconut lime
sherbet, pink grapefruit,
cranberry, coconut water

CARRIBEAN NEGRONI 14

Let us imagine Count Camillo Negroni, the inspiration of the classic that bears his name, on one of his many journeys. This takes him, for business, from London to the Caribbean. Back to his beloved Florence, he asks his favourite barman for a Negroni with a tropical twist. This is our interpretation of this fictional story.

Coconut Bombay
Sapphire, Martini Bitter,
Cynar, banana liqueur,
coconut water

ABSOLUTE BEGINNERS 14

Yes, that's a film reference. Yes, we know it wasn't a tour de force. But it had Bowie, Ray Davies, and Sade, so you can't help but secretly love it. Kinda like this punch, especially if you're new here. We all have our guilty pleasures.

Cava, grapefruit, curaçao, bergamot liqueur, apricot liqueur

SARACEN PUNCH 16

The sweetest punch on our menu: almost a liquid dessert, but with a magical balance thanks to the natural understanding between banana and chocolate and the citrus notes of bergamot orange and the kumquat. And the texture provided by the milk clarification, creates a harmonious and irresistible whole.

Brugal 1888, banana liqueur, chocolate liqueur, kumquat sherbet, bergamot

MEMORIES PUNCH 16

Like a winter night, with the smell of cinnamon biscuits and pears in the air, the fireplace lit, a good glass of cognac...all in one sip! That's the magic of a good punch: It takes you to places, latitudes, climates, or seasons very different from the one that really surrounds you.

Hennessy V.S.O.P, pear liqueur, px, yuzu, pear water, tonka beans, cinnamon

MR. BURNSIDE 14

Our tribute to the Clover Club, a classic whose popularity never wanes, and its creator Ambrose Burnside, bartender at the eponymous gentlemen's club in Philadelphia, where the crème de la crème of the time gathered. Gentleman or gentlewoman, this is a mixture that can only put a smile on your face.

Gin Raw, Martini Bitter, Chambord, lychee, raspberries, cava

INGENUA PUNCH 14

If fresh citrus is what you're looking for, this punch sings the usual songs at just the right pitch and expands its range in the bass clef with a foundation of multiple spirits. We added an attractive, tart, leafy garnish, and we think you should taste it, to hit the high notes.

Whisky Macallan 12, Rum Mount Gay, St Germain, Pedro Ximenez Sherry lime, lemon, orange, black tea, oxalis triangularis

CORSAIR PUNCH 14

Talking about the OGs of swashbuckling here, like famed corsair Jean-Francois Roberval. These pirates darted across the Caribbean in sleek, efficient ships, raiding Spanish galleons for Peruvian gold en route to Havana and Santo Domingo, all in the name of France. This punch similarly takes swift action on your palate.

Pisco puro Italia, Grand Marnier, pineapple, cava, Drambuie, Maraschino, lime

PUNCH DE SOCIALISTAS 14

What if we applied the equal parts rule to a punch recipe structure? Equality for all ingredients? It almost worked, and the unusual result is quite tangy and delicious. Power to the People!

Rum Santa Teresa solera 1796, Barolo Chinato, Cynar, dried osmanthus, pomegranate, lemon sherbet, rooibos, Pimm's, fresh ginger and lemon, bergamot

SEVENTH INNING PUNCH 14

It's okay to take a break and order this non-alcoholic punch. You don't have to pound the drinks all night. Hey, some people just don't drink at all, and that is A-OK. No judgements at the bar. At least, not while you're looking...

Wild strawberry, Calpico, black tea, coconut water, strawberry tomato shrub
