Think a century ahead

Each decanter is the life achievement of generations of cellar masters.

Since its origins in 1874, each generation of cellar master selects from our cellars the oldest and greatest eaux-de-vie for Louis XIII.

Today, cellar master Baptiste Loiseau is setting aside our finest eaux-de-vie, as a legacy to his successors who will continue to blend Louis XIII for the next century.

It is the ultimate expression of the mastery of time.
