PUNCH ROOM

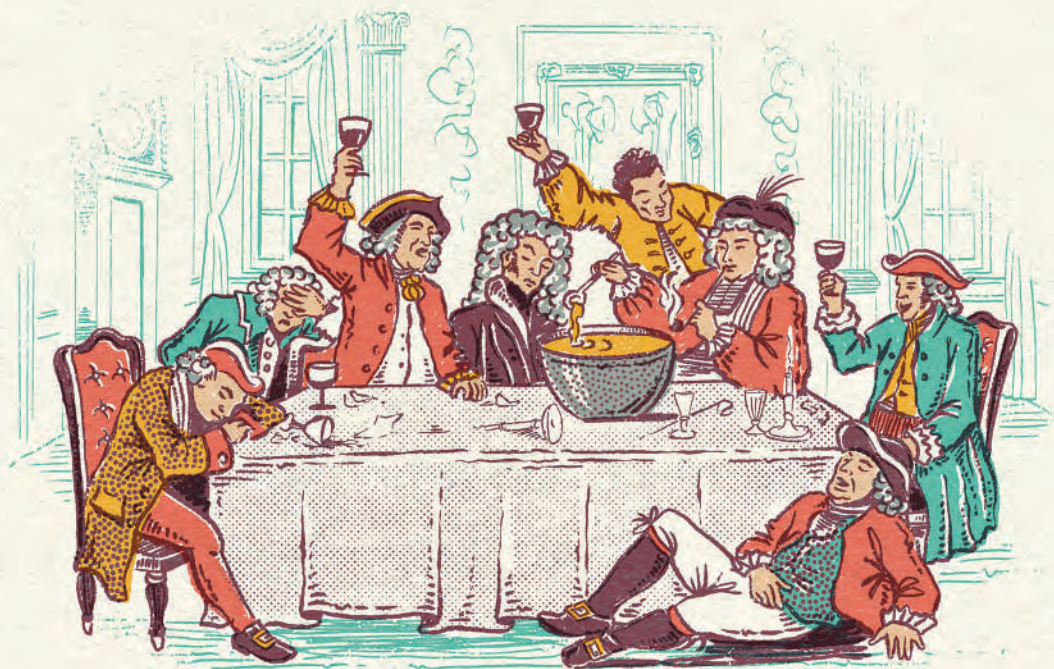

MADRID

Hidden away from the rhythm of the city, Punch Room Madrid is an intimate cocktail bar dedicated to the revival of the punch ritual. The ancestor of the cocktail, punch was first mixed on 17th-century trade ships, where sailors blended spirit, citrus, sweetener, tea and spice, the five elemental pillars that would define the drink for centuries. Carried across oceans into ports, taverns and palaces, it became the drink of explorers, pirates and kings. Shared from ornate silver bowls, it was a ritual of connection, conversation and ceremony.

At Punch Room Madrid, this legacy is reimagined for the 21st century. The atmosphere is warm and inviting, a haven for discovery where past and present meet through storytelling and craftsmanship. Our bar team blends historical research with modern creativity, reviving traditions while pushing the boundaries of contemporary mixology.

Part of a signature EDITION concept spanning the globe, Punch Room Madrid takes on a unique character: innovative craftsmanship layered with local influence, celebrating both individuality and togetherness.

LEGENDS & LIKES

A PUNCH MENU BY PUNCH ROOM MADRID

Legends & Likes was born from the idea that admiration, like punch itself, evolves over time. Just as punch traveled across oceans and eras, adapting to each new culture and context, the figures we admire, past and present, reflect the spirit, values and curiosity of their time. This menu turns that journey into a playful exploration of influence, creativity and connection.

Divided into two chapters, the Ancients honour timeless wisdom, power and ritual, while the Moderns capture the energy, innovation and digital charisma of today's world.

Each drink is a liquid story, reflecting a character, a moment in time and the ever-changing ways people inspire one another. Designed to be enjoyed solo or in flowing bowls for the table, these punches are more than cocktails, they are stories to savour together.

Legends & Likes is your invitation to sip, share and discover the personalities and icons that shaped the world, and maybe even your night.
