Each decanter is the life achievement of generations of cellar masters.

Today, cellar master Baptiste Loiseau is setting aside our finest eau de vie, as a legacy to his successors who will continue to blend Louis XIII for the next century.

We are proud to support the Resilience Education, Training and Innovation Center (RETI) by donating our wine corks to the BlueBlock Floating Garden project. Built entirely of salvaged and reclaimed materials, these modular systems - inspired by lilypads - aim to give back the green edge our city needs to re-establish our aquatic ecosystem.
